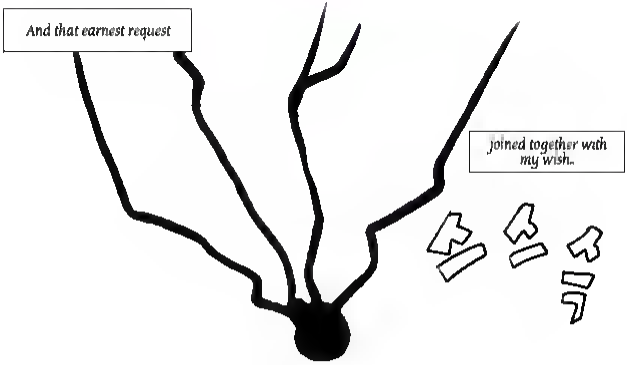
A mirror sir

Story, Art by FantasyTurtle

The days are hot. I'm on the computer and I can't get away
And I'm weak against the heat.

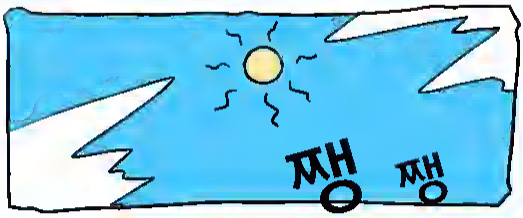
In times like this, I wish my double would appear...
and do some of the work for me.



And that earnest request
joined together with my wish.
ムクムクムク

I HAVE COME TO ANSWER YOUR PRAYERS! I AM YOUR DOUBLE!
OH! THEN, MY MANUSCRIPT, YOU CAN-!
I know what your innermost desires are.
MY...INNERMOST DESIRES?!
TO DRAW A MAGNIFICENT MANHWA!
IT IS...!

To eat and play all day.
어~ 어~
PIZZA
털썩
My innermost desires are...trash.
Wild turtles don't actually eat pizza.



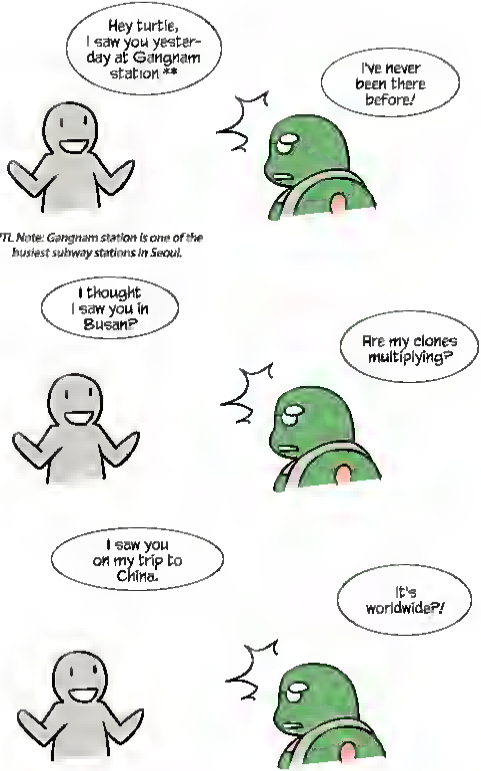
찌잉 찌잉

Come to think of it, the inspiration to draw 'Mirror Girl' was that.

Hmm? What was it again?

How many people do you think have messy hair, glasses, and is average height? More than you think.
To foreigners, we all look the same.
Oh yeah, that!
IT WAS THIS. THIS!

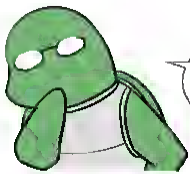
Glasses-wearing
Unkempt hair
The name 'Gwang-Jun.'
Yes, all of that actually refers to me.
For a very long time now, my friends have said that they saw me wherever they went.



Hey turtle, I saw you yesterday at Gangnam station **
I've never been there before!
I thought I saw you in Busan?
Are my clones multiplying?
I saw you on my trip to China.
It's worldwide?!

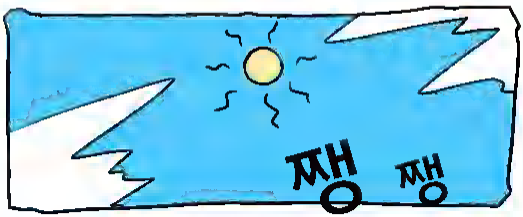
**TL Note: Gangnam station is one of the busiest subway stations in Seoul.

There are so many of me out there... I wonder what all of those "me's" are thinking about?



I followed this train of thought and created 'Mirror Girl'.

PS. FOREIGNTURTLE.JPG



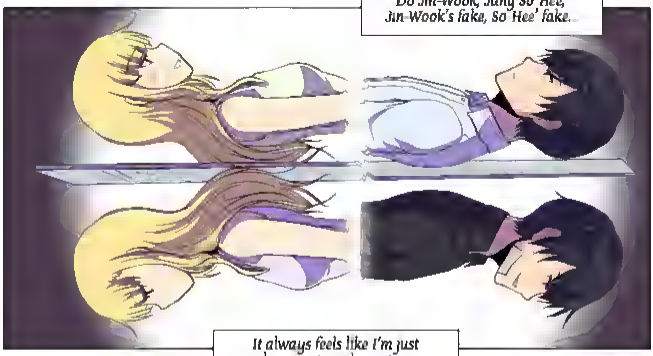
찌오 찌오

Let me just say it like it is.

What? You want some?
No, I'm talking about my work.
My true self is a glutton...

There are four main characters.

Do Jin-Wook, Jung So Hee, Jin-Wook's fake, So Hee' fake...



It always feels like I'm just drawing two characters.

So to distinguish them I did at least give the fakes red eyes...

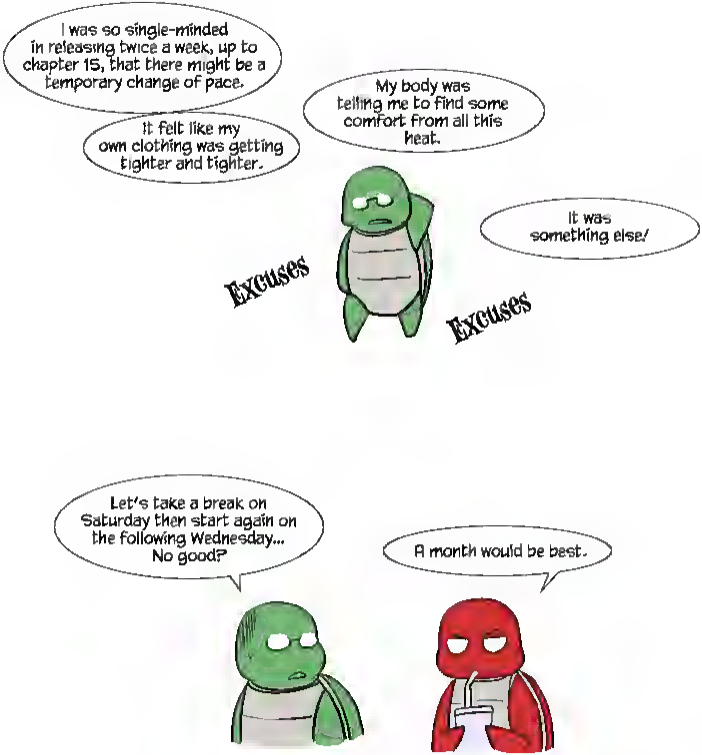
Hoh...

When I'm near the deadline and completely out of whack, I have no idea who I'm drawing.

Let's just draw lines everywhere...

So tired...

Therefore, unidentified characters were born.
Uh, who am I?
Where am I?
DON'T LOSE IT TO THAT EXTENT!
UWARGH!
Drawing the action scenes was really difficult.
So, my double You really are here to kill me..
There should be a limit to your stupidity.
FAKE



I was so single-minded in releasing twice a week, up to chapter 15, that there might be a temporary change of pace.
My body was telling me to find some comfort from all this heat.
It felt like my own clothing was getting tighter and tighter.
It was something else!
Excuses
Excuses
Let's take a break on Saturday then start again on the following Wednesday... No good?
A month would be best.

*TL Note: Mirror Girl's serialization ran from May 25th, 2011 to August 27th, 2011. Chapters were released twice a week, on Wednesdays and Saturdays. This chapter is a gimmick, letting the readers know he's taking one week off.

Why are you so uptight, Lee Sung-Chan?

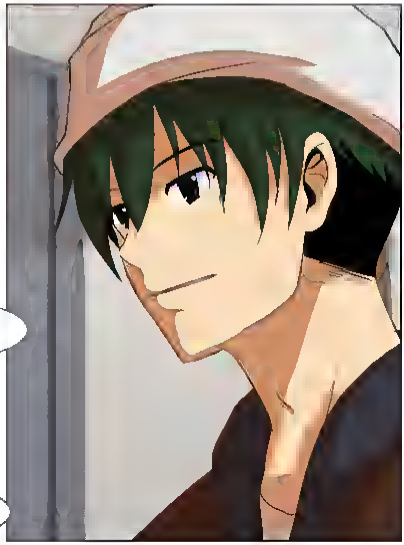
But doesn't it seem like Jin-Wook oppa's mood has gotten much better lately?

It does seem that way.



The thing with So-Hee... did he break free from that?

Sung-Chan oppa?

Hmm. What?

Let's go get food.

So-Hee.

HEY, DO JIN-WOOK! IT'S BEEN FIVE HUNDRED MILLION LIGHT-YEARS SINCE LUNCH HAS ENDED AND YOU'RE JUST WOBBLING AROUND LIKE THAT!
MY, MY APOLOGIES. CORPORAL YU JIN-OH.

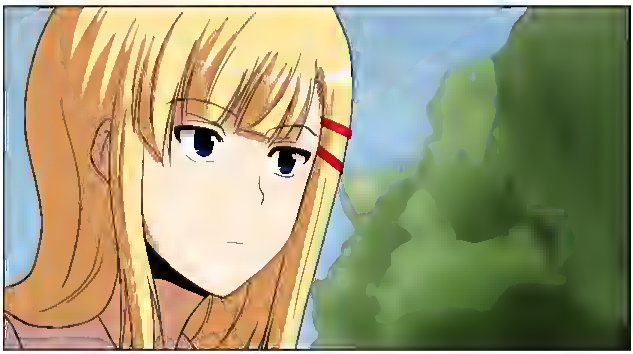
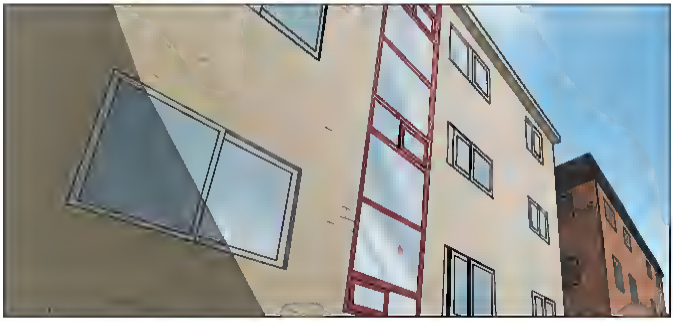
Hmph- you said you'd call today!

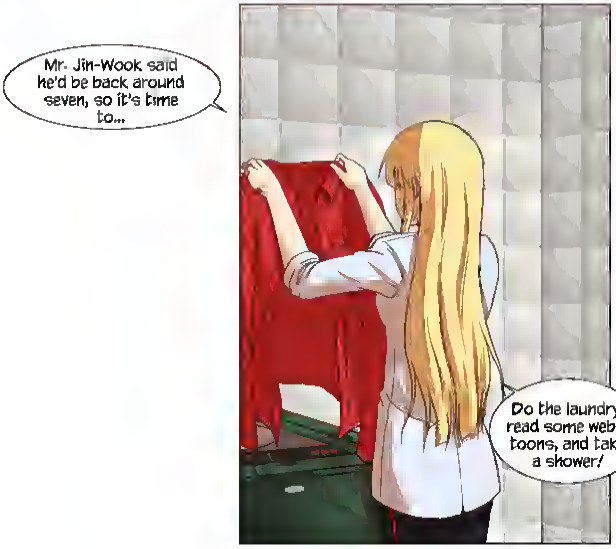
I need to talk to you.



Good timing.
I need to talk to you too

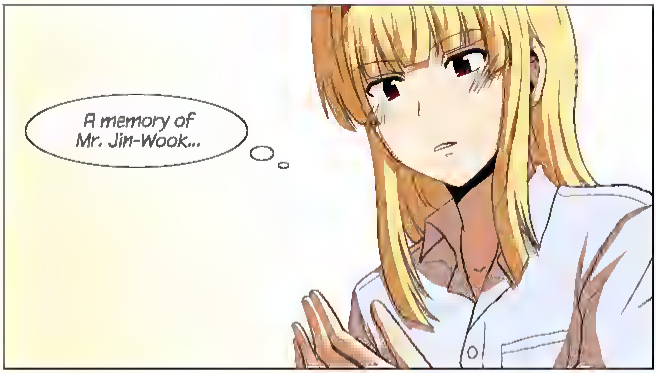


Hum~
Hmmhmm~

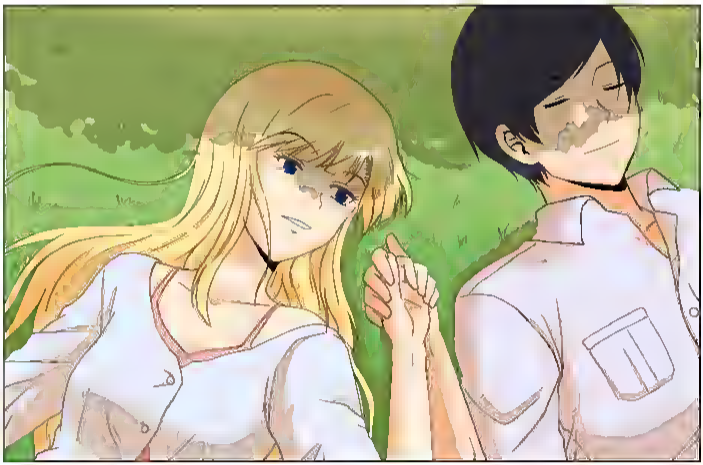


Mr. Jin-Wook said he'd be back around seven, so it's time to...
Do the laundry, read some webtoons, and take a shower!

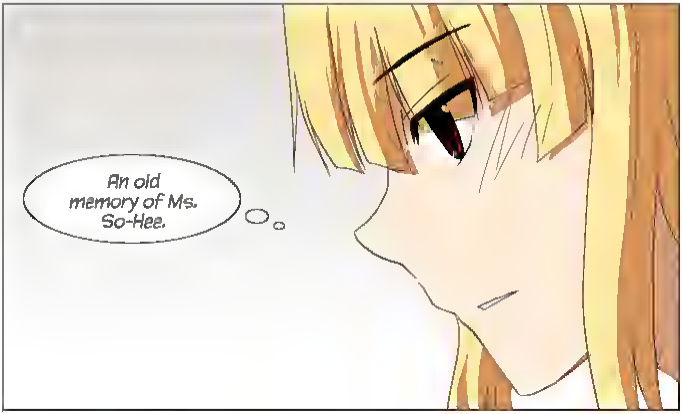
I wonder what Mr. Jin-Wook is doing right now?



A memory of Mr. Jin-Wook...

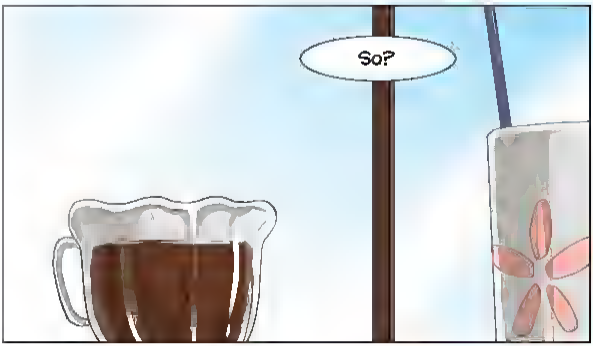


And this is...

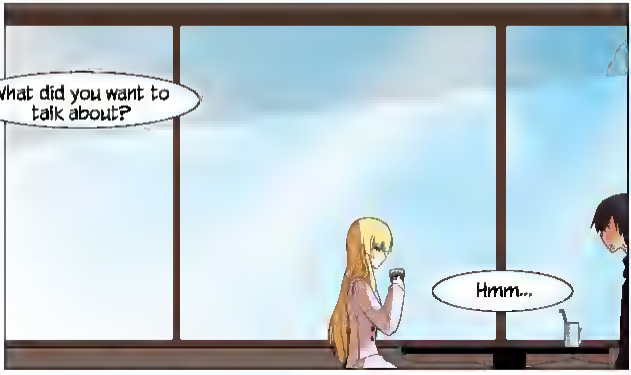


An old memory of Ms. So-Hee.

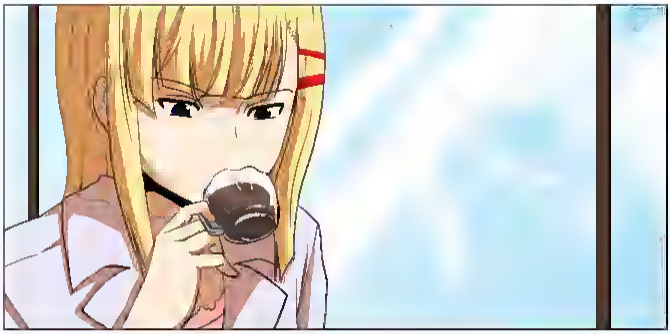
Sericea Caffe

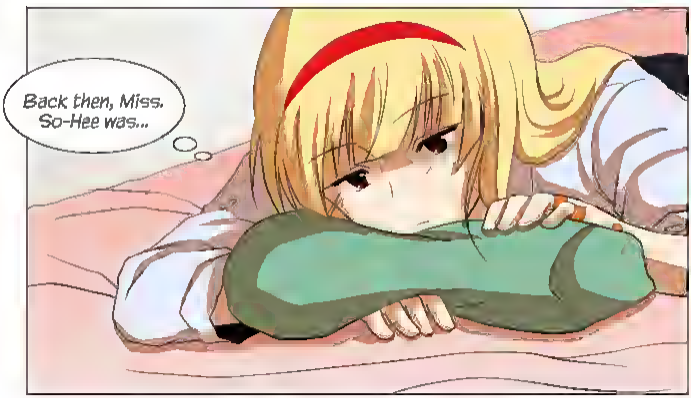


So?

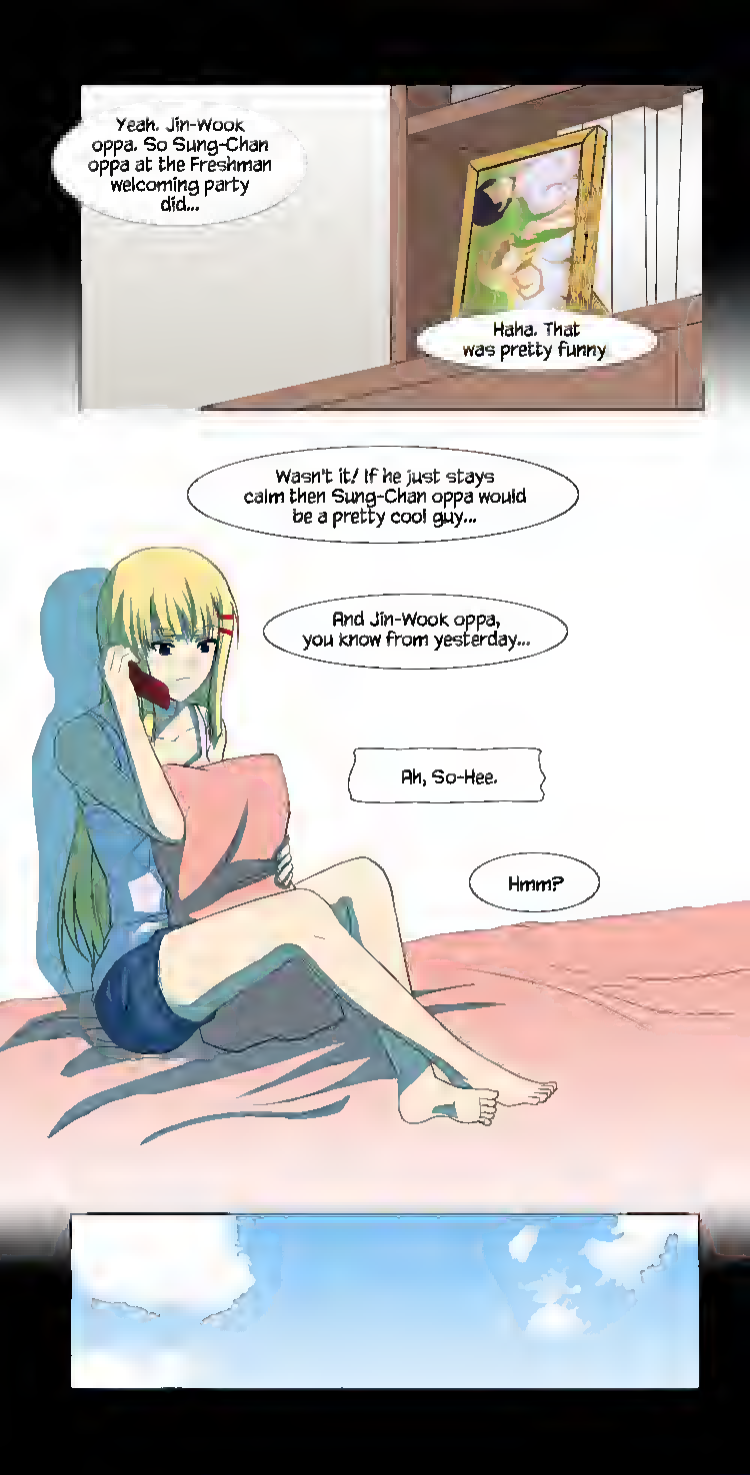


After we started going out, towards the end of my time in the army.





So lonely



Yeah. Jin-Wook oppa. So Sung-Chan oppa at the Freshman welcoming party did...
Haha. That was pretty funny
Wasn't it? If he just stays calm then Sung-Chan oppa would be a pretty cool guy...
And Jin-Wook oppa, you know from yesterday...
Ah, So-Hee.
Hmm?

Sorry.

Oh? Already?
Lunch time's about to end so I have to go.
...Okay
I'm sorry, So-Hee. I'll call you again tomorrow
OPPA! I...

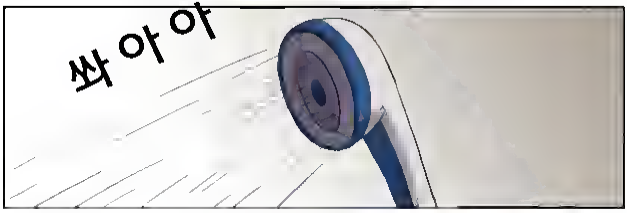
So-Hee?
Sorry for taking so long to contact you. We were in the midst of training so I couldn't get on the phone for a week.



싸아아

I'm sorry for not calling yesterday, So-Hee. One of the older guys suddenly asked me if I'd switch shifts with him that's why I didn't have time to call you.

It's okay. There's nothing you could have done anyway. That's what the army's like.
Tell me about it. You have no idea how much crap I get for being airheaded
You, oppa? That's hard to believe...
And even with that, they give me so much work to do. Sheesh!

Oppa, when can you apply for vacation?

Vacation? That's...

So-Hee finally admitted to feeling lonely

So-Hee...you know it hasn't been that long since my last vacation.
But, still...
Jin-Wook oppa... you, you still lo-
JIN-WOOK! COME OVER HERE.
Yes, understood.
So-Hee, I'm sorry. The platoon leader's calling me. I'll call you later!

I know that it was beyond my control, but
I didn't know that you were that lonely.

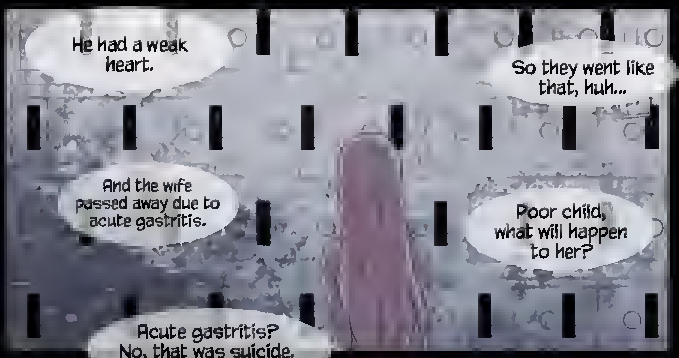
You were always so happy on the outside and got along well with the people around you...
That...

Just meant that I leaned on you, oppa, more than the people around me.

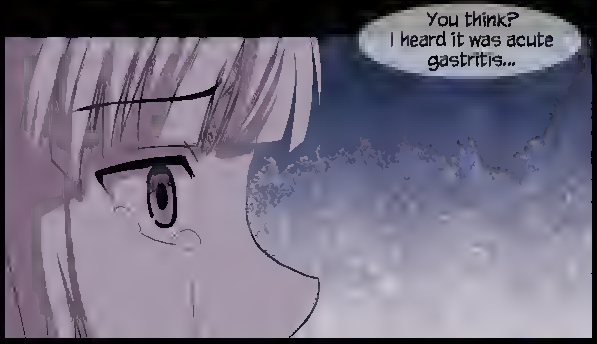
...Yeah.
It hasn't stopped.

But So-Hee, you handled it pretty well. For a year and a half you were fine...
But...

Then your parents died.
Sericea Caffe



He had a weak heart.
So they went like that, huh...
And the wife passed away due to acute gastritis.
Poor child, what will happen to her?
Acute gastritis? No, that was suicide. Suicide.



They're just trying to cover it up that way.

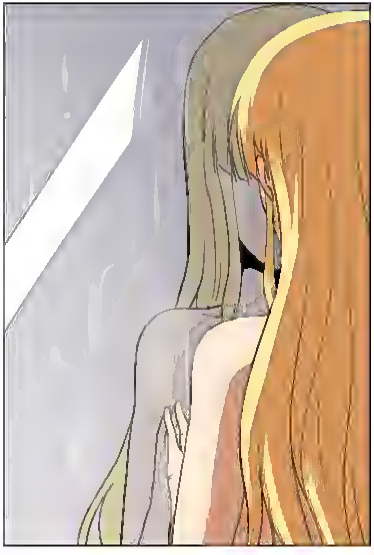
I did think that she was a pretty weak-willed person. But even so, she should have chosen to stay alive.

What about her daughter, who's all alone now?

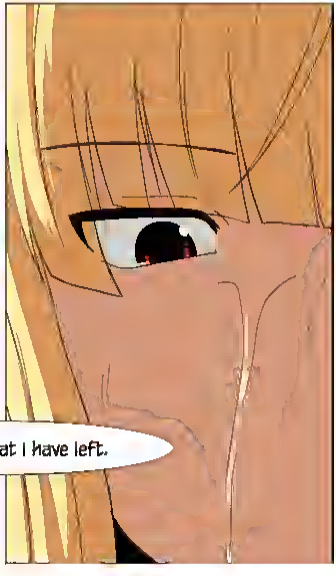
It's almost time for her to go to college. weren't they a rich family?

And then I...

Hello?
wasn't there for you when you needed me most.

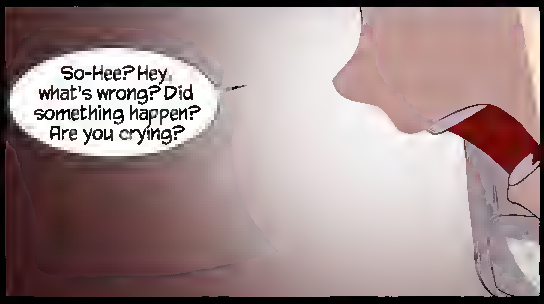


At the time, So-Hee was...



You're all that I have left.

Oppa...you're all I have now.



So-Hee? Hey, what's wrong? Did something happen? Are you crying?

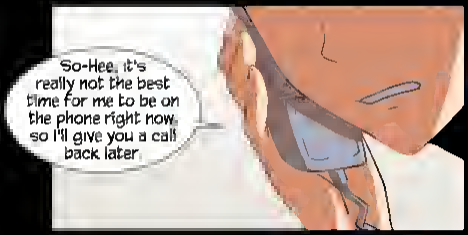
At that moment, I became silent.
I couldn't say a word.



So-Hee, it's really not the best time for me to be on the phone right now, so I'll give you a call back later.

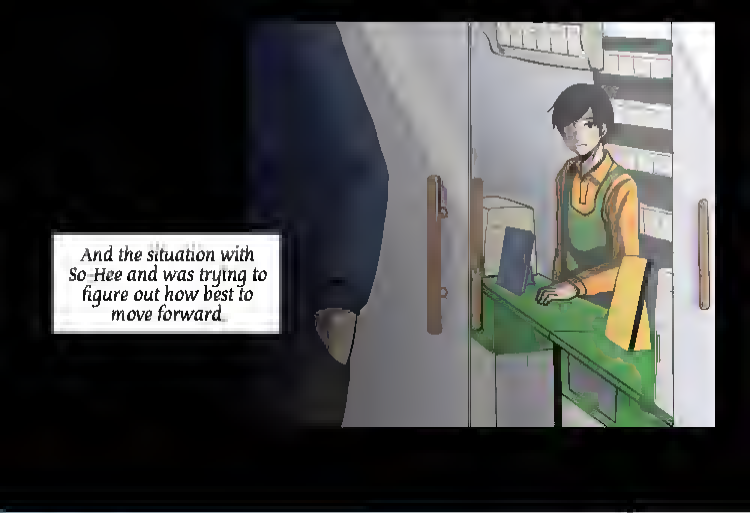
Jin-Wook, personal phone calls should not be coming through the platoon.

Yes sir.
I apologize.

Because I knew the weight of So-Hee's words.
I thought about my current situation.



And the situation with So-Hee and was trying to figure out how best to move forward.

The "So-Hee" who is falling apart in front of my eyes,

completely unable to cope with all of this...

So-Hee.

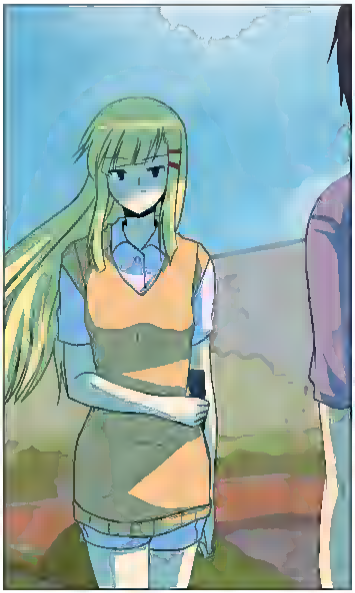
It's hard on me too.

I know how hard things have been for you.
But it's been hard on me too.
I'm exhausted just with the daily grind of army life... you know how hard it is here.
Oppa, wait...
So...
Oppa!
Excuse.

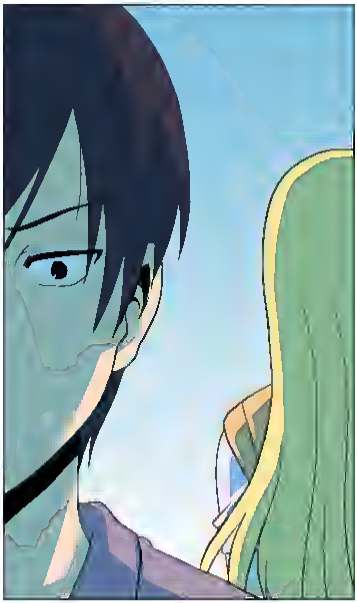
Don't call me again until I'm discharged.
Oppa! I'm sorry. I...was wrong. Okay?
I'm sorry. I'm going to go now.
YOU'RE THROWING ME AWAY? DIDN'T YOU SAY YOU LIKED ME?

I wanted her scars to heal naturally through time.
I'm not breaking up with you. It's just until I get my energy back.
Just wait for a little bit.
I ran away

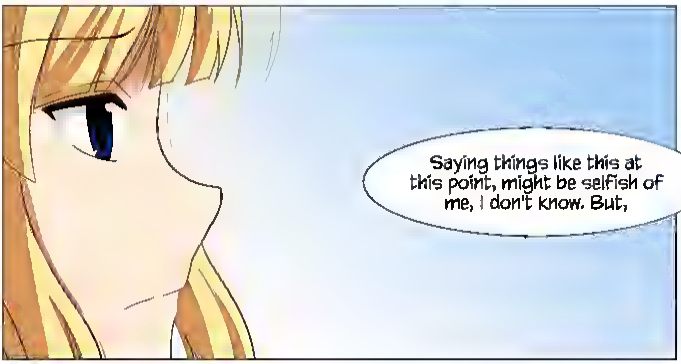
So?
Why are you bringing up an old story like that?
After I was discharged and saw you again
You changed.



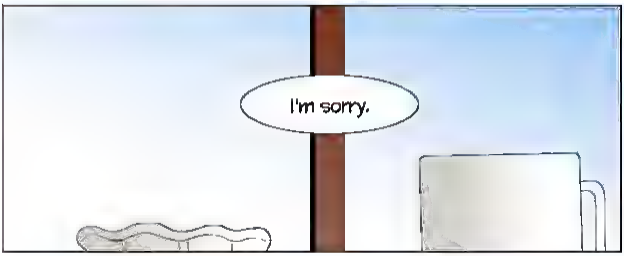
A state where your scars are still unhealed



You put your heart into a safe, locked it up and threw the key away.

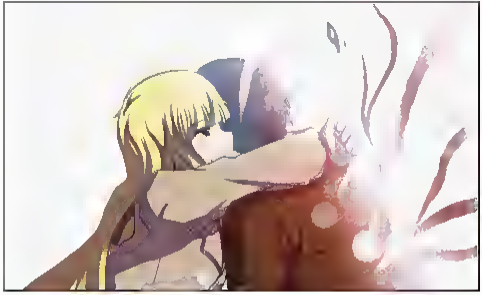


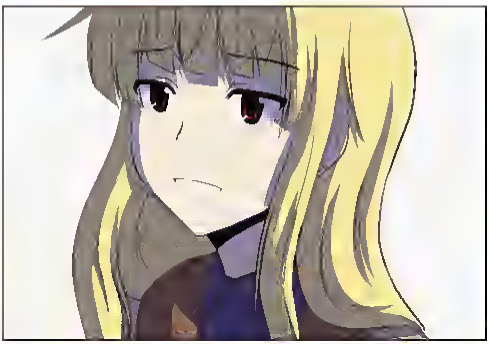
Saying things like this at this point, might be selfish of me, I don't know. But,



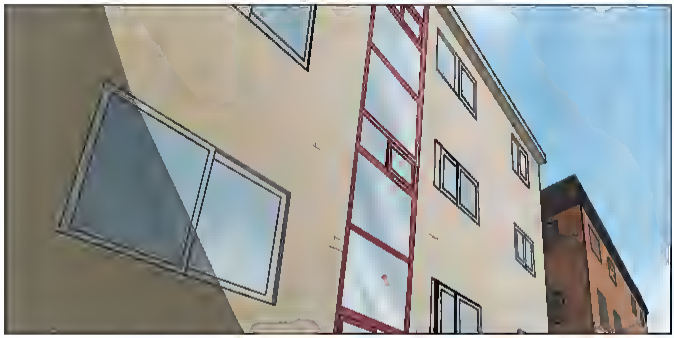
I'm sorry.

For running away when you needed me most.
Now, I can say that....





Trust me. This time,
I won't run away.



That day, Ms. So-Hee blamed herself a lot,
for obsessively clinging on to Mr. Jin-Wook, and making his life difficult ..
Her self-esteem was...

She cried

And cried

And...

I don't want to be in a relationship with anyone anymore.
It's now too...

Back then, if I gave her a better answer...

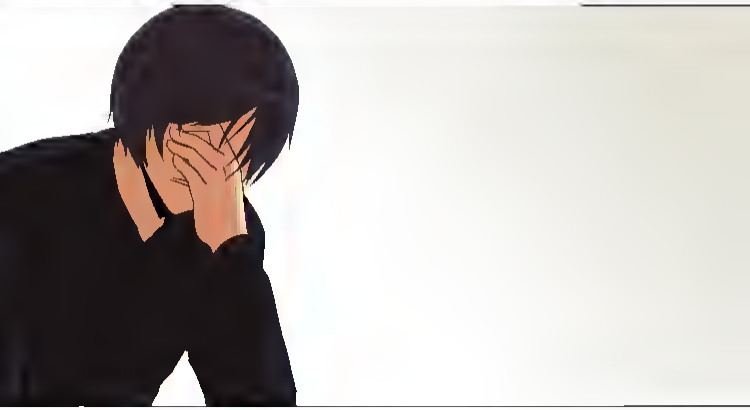
I probably wouldn't be in this situation, right?
No, that's not true. Back then, Miss. So-Hee was very upset with herself for troubling Mr. Jin-Wook...

Yeah, you also have So-Hee's memories... you already know.
How badly I hurt So-Hee.
Mr. Jin-Wook, that wasn't your fault.

Sorry. And thanks for trying to help. Just let me get some rest
Right now...
It hurts to look at you.
Because you remind me of So-Hee

Right now,

If I was the real So-Hee, would I be able to comfort Mr. Jin-Wook...



Could I heal him with tender words.

And be able to stay by his side?

Everything is over.
But why...

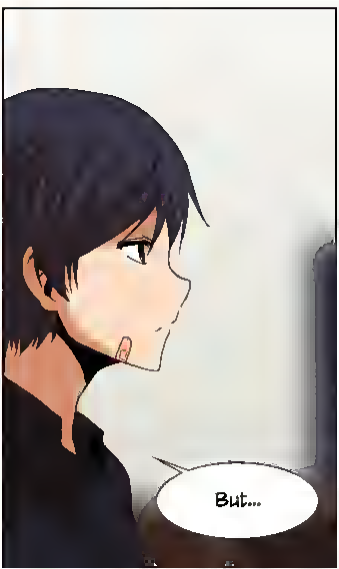
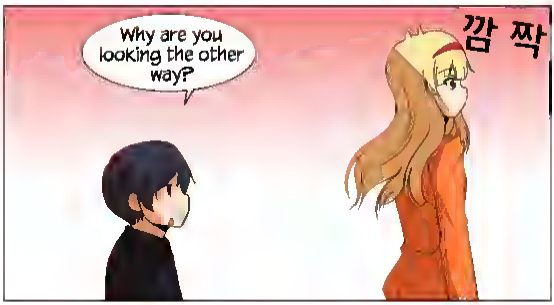
It's time to go to school.



Ah, already?
But...



Why are you looking the other way?

No need to do that on my account.

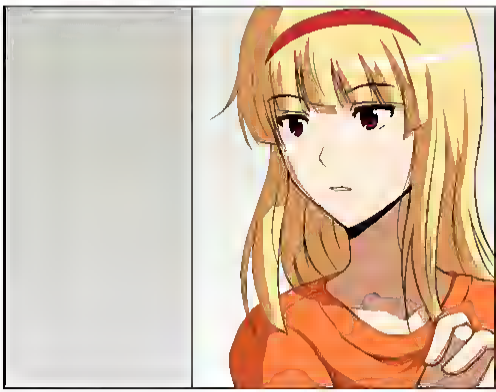
I'm still getting over it, but
I'm much better now.

Then are you okay with seeing my face again?

Looking at my face... won't hurt you anymore?

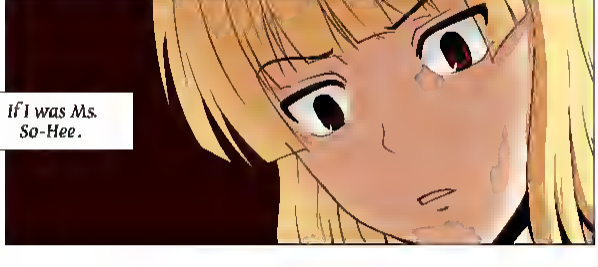
I just-
I'd been thinking that things would end like this for awhile... I had a feeling this would happen.



See? Look. I'm telling the truth.

I want you to laugh more.

I want to make Mr. Jin-Wook happy



If I was Ms. So-Hee.

Someone who isn't troubling Mr. Jin-Wook right now, like the current Ms. So-Hee is...

What if I could be the one next to Mr. Jin-Wook?

What if I was by his side, instead of Ms. So-Hee?

All you have to do is meet the real So-Hee.

I told you. I'm okay.

Don't worry so much about me.

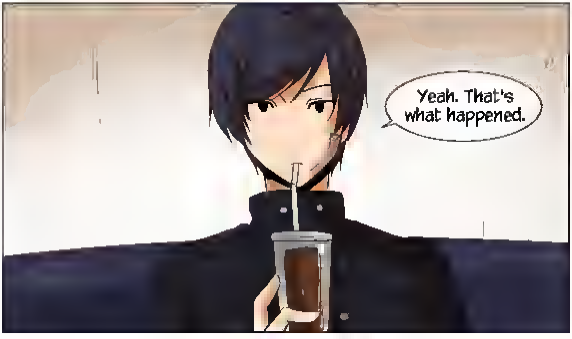
What? You broke up with So-Hee a week ago?



Yeah. That's what happened.

That's what happened?! It's been a week and you're telling it to me just now? Am I your friend or not?
Ahahah. Sorry.

...You alright? Let's at least go grab a drink.

Yeah, I'm fine. Let's go get a drink later.
Later?

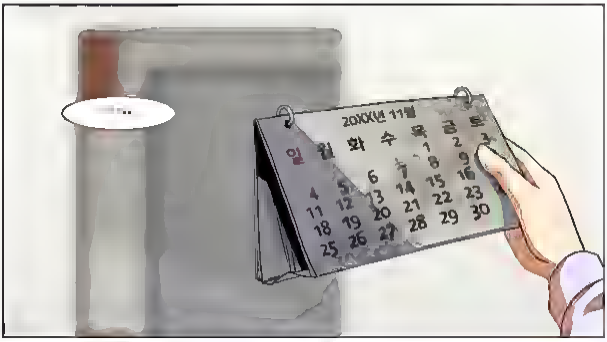
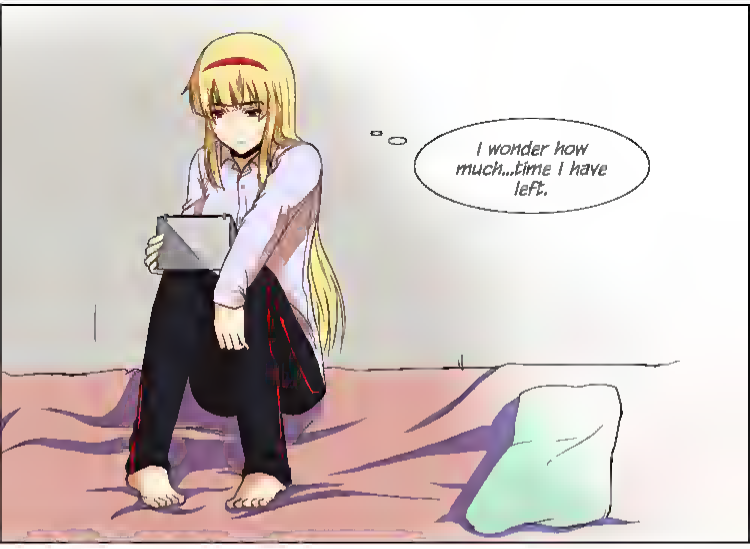
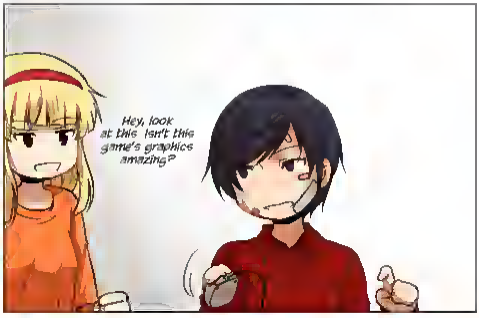
Story, Art by FantasyTurtle





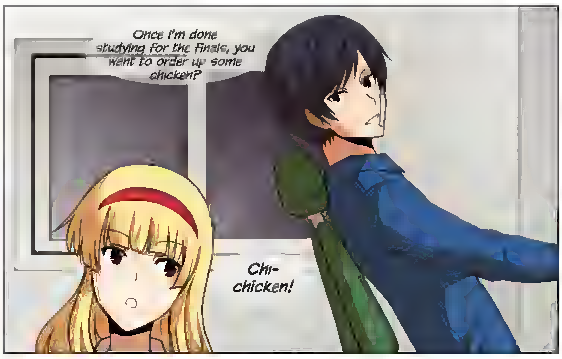
I wonder how much...time I have left.

Since then,
Mr. Jin-Wook has been..



Putting on a facade of happiness..

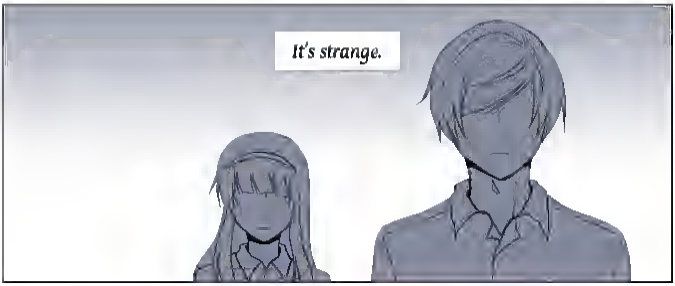
..to distract himself from the
pain of his break up



Once I'm done studying for the finals, you went to order up some chicken?
Chi- chicken!

However,

The facade slips on occasion

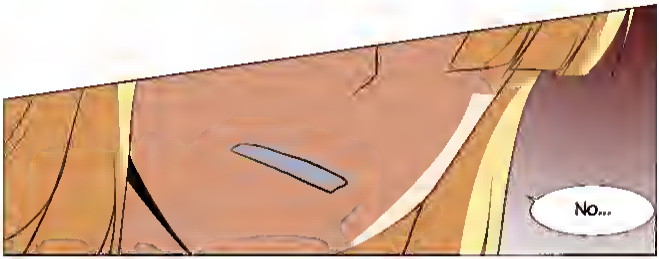


It's strange.

Each time I look at Mr. Jin-Wook's sad face...
Every time I see it, I hear a voice in my head.

IT'S SIMPLE.
YOU JUST HAVE TO MEET THE ORIGINAL.
MR. JIN-WOOK'S HAS ALREADY BROKEN UP WITH MS. SO-HEE.
HE DOESN'T HAVE ANY REASON TO WATCH OVER HER ANYMORE.
No...

IF YOU WANT TO LIVE, YOU HAVE NO OTHER CHOICE.



The voice inside my head is growing louder and louder

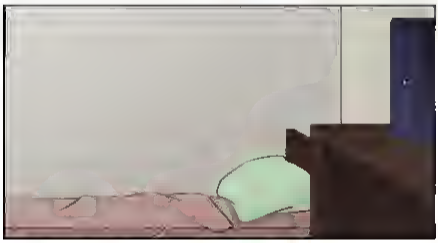
I...
want to live.
Even if it means turning into a monster.

Did you also have to fight against our instincts like this?
I'm so sorry...

I...with these hands...

HEY~ IT'S BEEN A WHILE SO I GOT US SOME MEAT!
It was on sale, so I got some, but...?
Not here... Where'd she go?

Did she go for a walk? Should I just start cooking in the meantime?



Why? Why do I keep having these kinds of thoughts?
I'm not going to be any good to Mr. Jin-Wook like this...

I've already said that I wouldn't cause any trouble.
You don't need to worry. I told you when we first met, remember?
That I wouldn't cause any trouble for you and Ms. So-Hee...
Why am I...

The person who in my memories was my boyfriend..

I love her, right?

...Wait, I couldn't possibly... about Mr. Jin-Wook...?

Hmmhmmhmm~ Yummy yummy meat~
Fried meat~

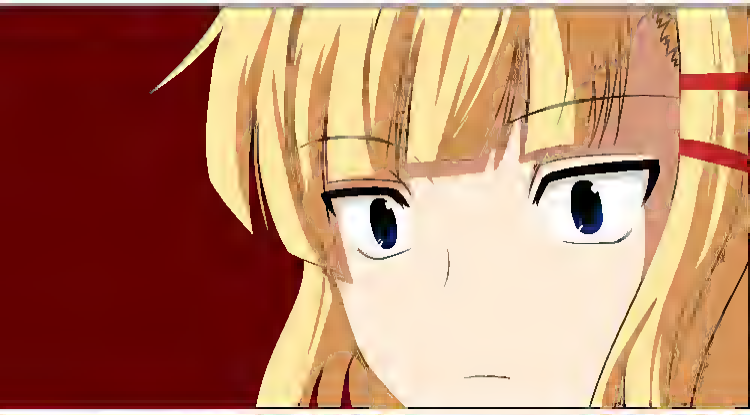
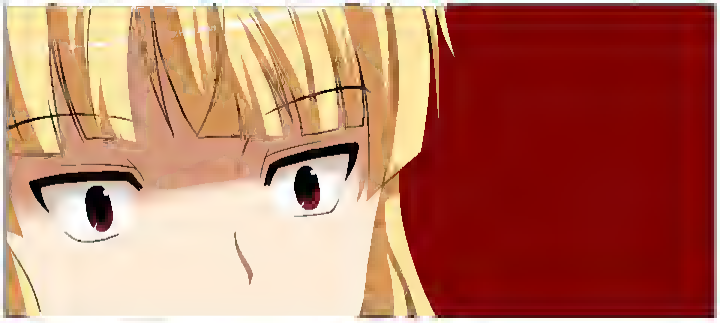
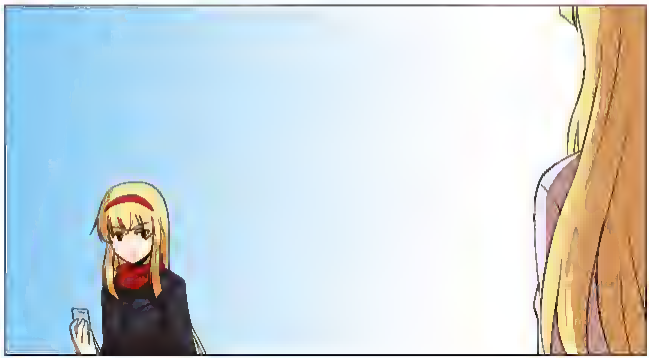
I already
ended
everything...





All you have to do is meet...



For you to live.

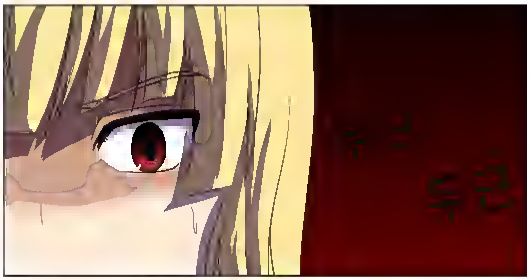
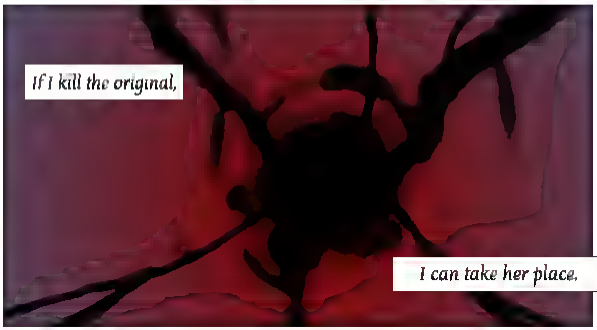
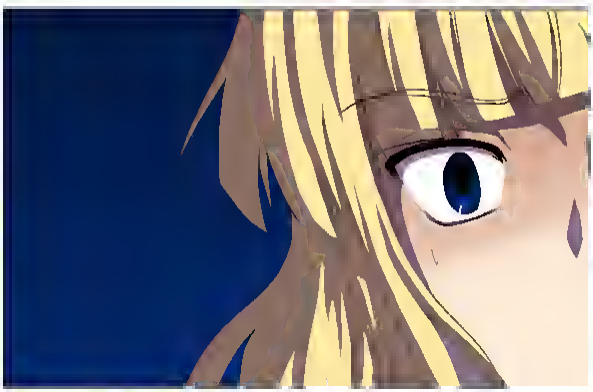
Hurry up
and come home.
The food's getting
cold



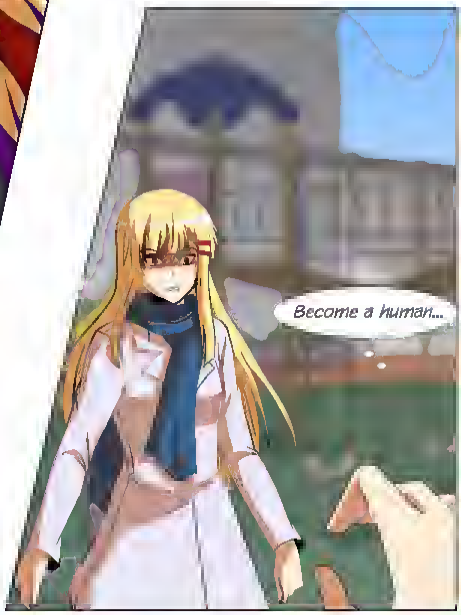
두근



If I kill the original,
I can take her place.



Why...
why am I...?

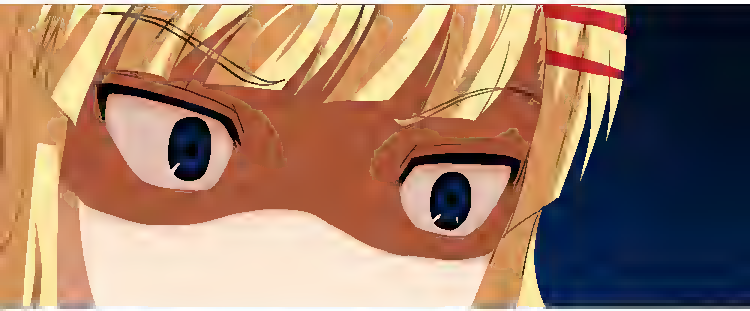


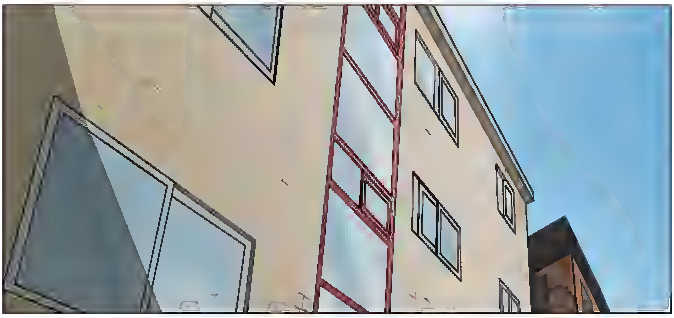
Yes. If you do,
You can be by Jin-Wook's side.

덥 썩

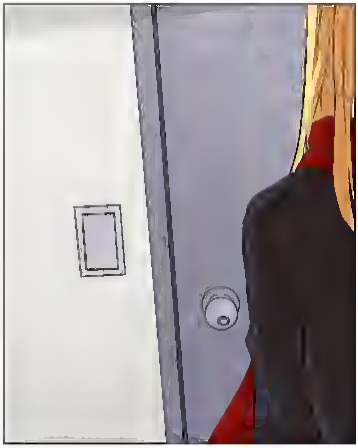
What, what am I thinking...?
Who in the world are...
DON'T COME ANY CLOSER!!
깜 짝

Please forget that you ever saw me.
I WON'T... I WON'T SHOW UP IN FRONT OF YOU EVER AGAIN!
힐 끔
Do you understand? You...have to forget. You have to forget!
PLEASE DON'T FOLLOW ME!



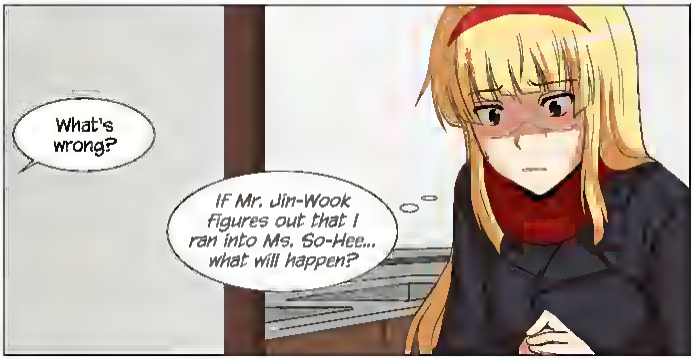


덜컹



Hey, what took you so long. The food's all cold now.

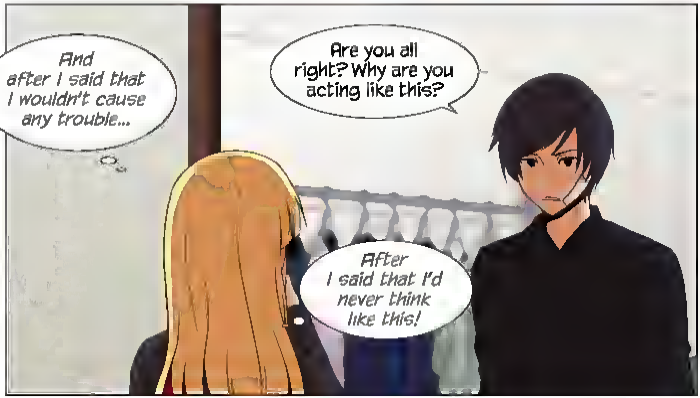
...? Hey, did something happen?



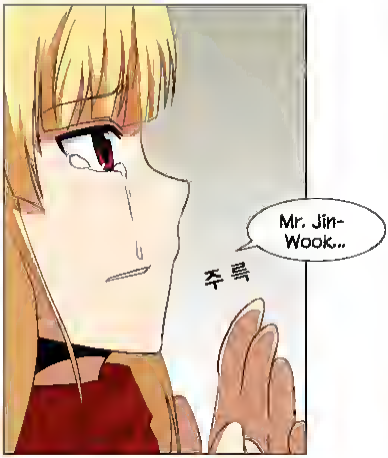
What's wrong?
If Mr. Jin-Wook figures out that I ran into Ms. So-Hee... what will happen?

Not just run into her... what will happen if he figures out that I entertained thoughts of killing her?

I can't say it. Mr. Jin-Wook will hate me.



And after I said that I wouldn't cause any trouble...
Are you all right? Why are you acting like this?
After I said that I'd never think like this!



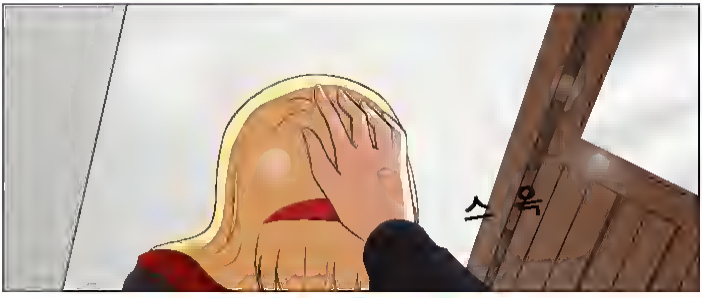
Mr. Jin-Wook...
주륵

Fake?

I'm sorry.
I'm sorry, Mr. Jin-Wook.
I'm sorry. sniff...sniff.
What's Wrong? Is there something I'm not aware of?"
sniff... No, nothing like that...

I'm just...
I'm just sorry for everything.
If only I didn't exist, then...

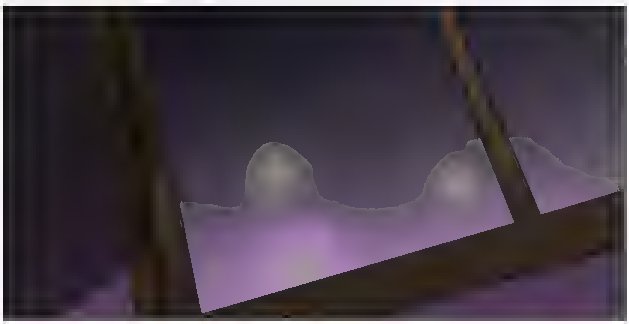
Sniff, sniff...



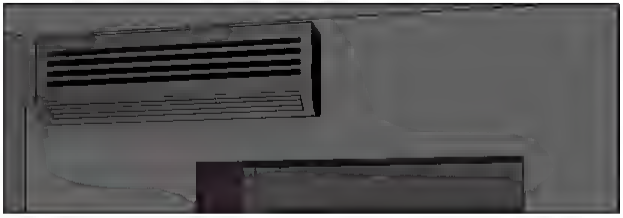
스윽

It's alright.
Okay?
I don't know what happened, but...
I'll help you through it.

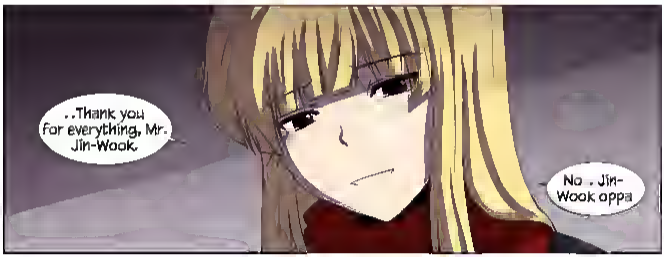
Don't cry.



Why...
...did I?

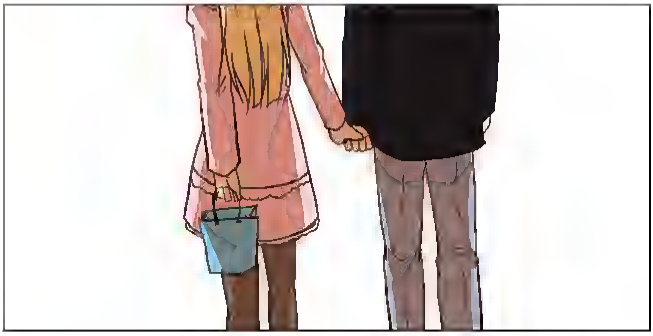


스읍



..Thank you for everything, Mr. Jin-Wook.
No . Jin-Wook oppa

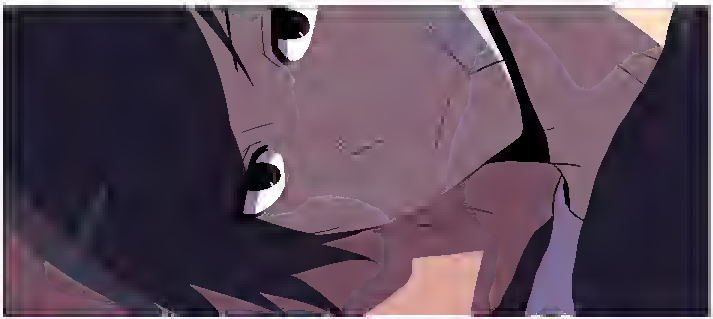
From the beginning...
This was the best solution

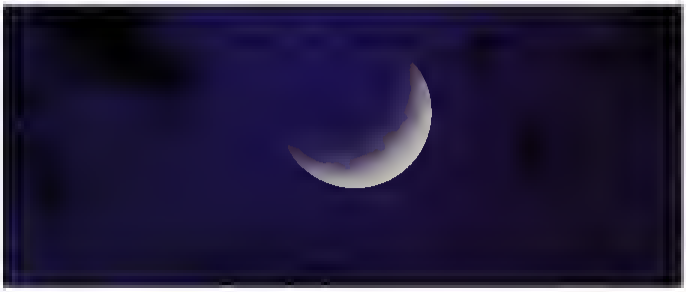


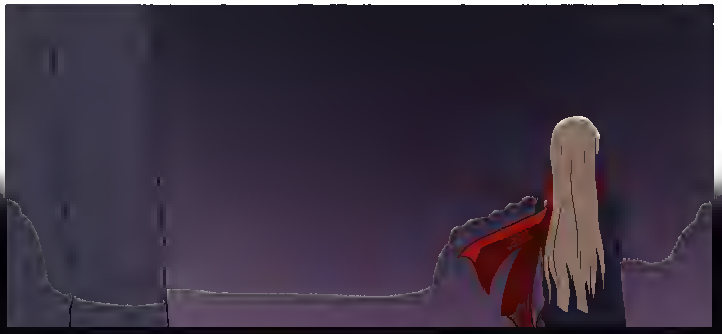
Having received as much as I have these past few weeks...

Even if I disappear...

I'll have no regrets.







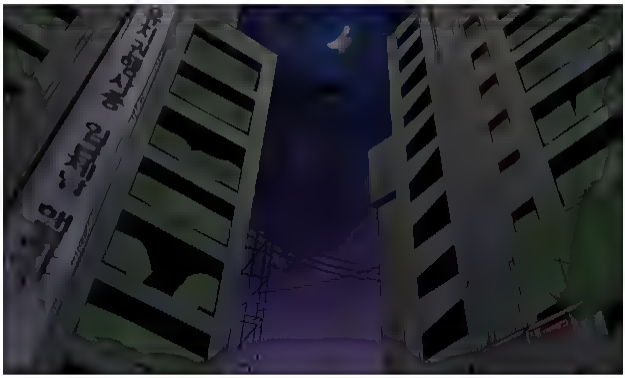
Though it lasted less
than one month's time...

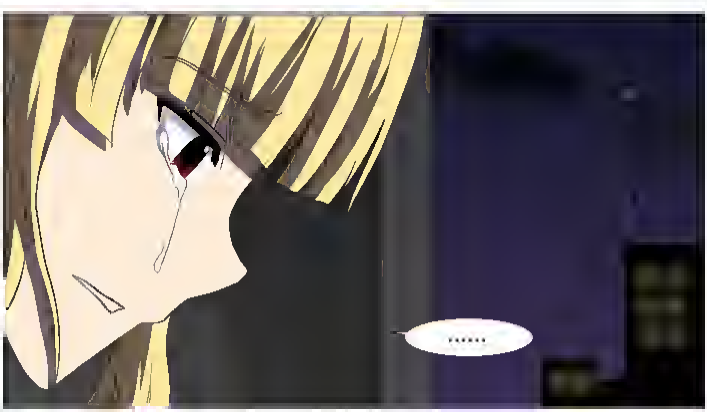
I wanted to be human.

Fully, truly human, in both mind and body.

But, no matter how much I wish otherwise,

In the end, I am a monster.



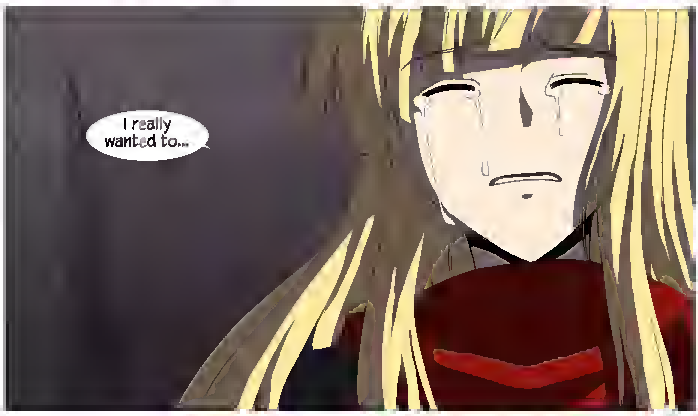


This is the best solution.

Ms. So-Hee will be safe.

This way, for Mr. Jin-Wook, it will hurt less.

But,



Live for a bit longer.

Goodbye, Oppa.

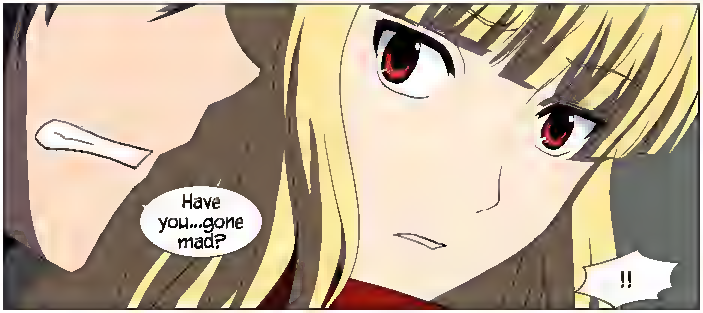
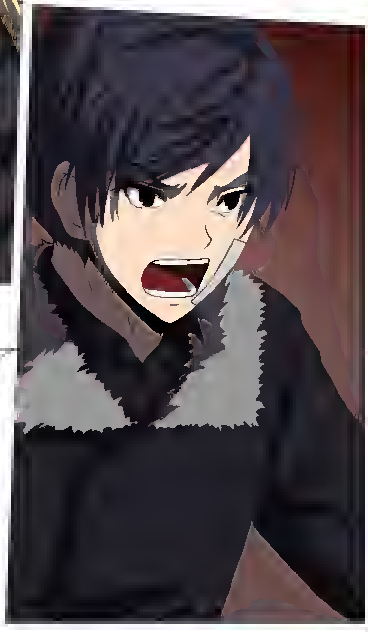
I'm...

Alive?



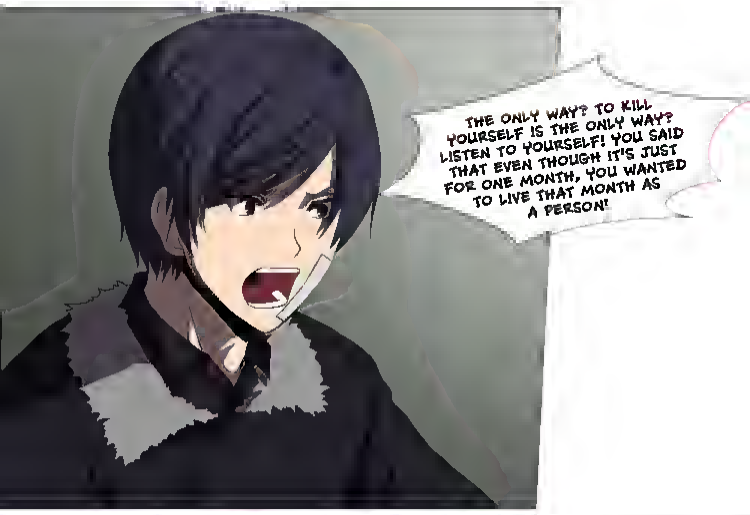
Have you...gone mad?
!!

MR. JIN-WOOK!
I thought something fishy was going on.



YOU, WHAT THE HECK ARE YOU DOING? WHY WERE YOU ABOUT TO DO THAT?

MR. JIN-WOOK! THIS...THIS IS THE ONLY WAY!



THE ONLY WAY? TO KILL YOURSELF IS THE ONLY WAY? LISTEN TO YOURSELF! YOU SAID THAT EVEN THOUGH IT'S JUST FOR ONE MONTH, YOU WANTED TO LIVE THAT MONTH AS A PERSON!

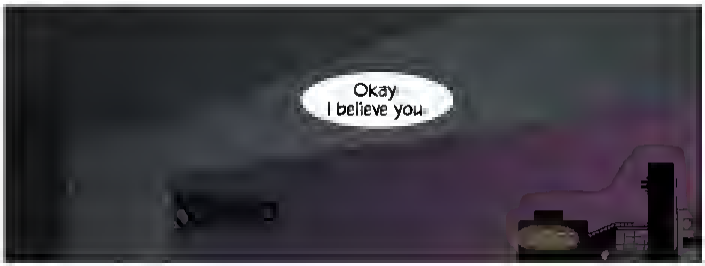
SO WHY?!
WHY THIS?!
I...

Saw Ms. So-Hee.

...What?

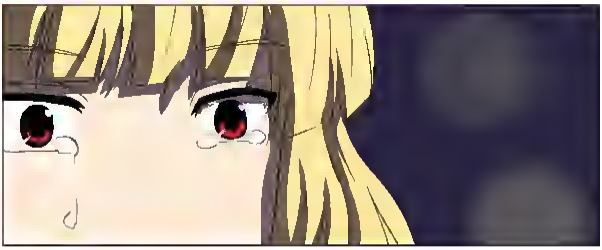
WHEN I WENT OUT TODAY, I RAN INTO MISS SO-HEE!

Did you ask her to come out?
No, no of course not. It was a coincidence.
I know it's hard to believe, but it's the truth.



Okay
I believe you

Mister... Jin-Wook?
I believe you.



It was a coincidence, right?

Ever since you and
Ms. So-Hee broke up-

I've been...
Strange.

The voice in my head telling me to...
Kill Ms. So-Hee.

Well, that's just how you guys are.

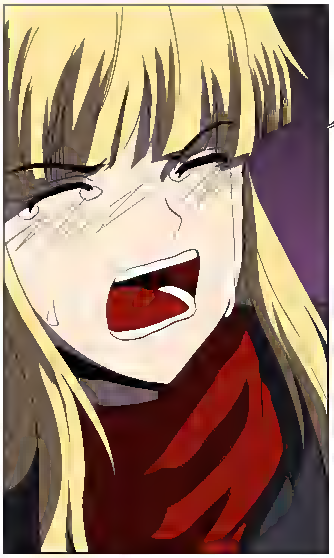
And you know what's even scarier?
I think I'm starting to listen to it.

AFTER I TOLD YOU THAT I WOULDN'T BE A BURDEN...
I'll make sure to do her no harm.
AFTER I TOLD MYSELF THAT I WOULDN'T BE A MONSTER!
THAT'S WHY... IF I DISAPPEAR...
IF I DISAPPEAR LIKE I WAS NEVER HERE TO BEGIN WITH...!

It's okay.
!!

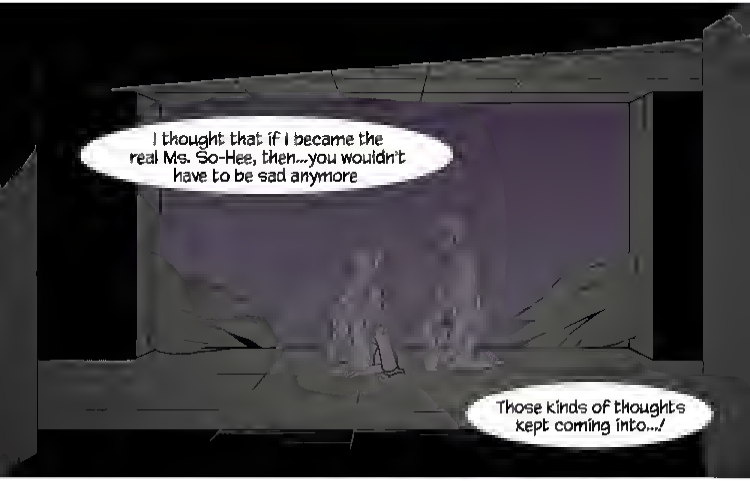
That's also part of...
Being human.

I was thinking about killing Ms. So-Hee.
Just don't run into her anymore.
I keep on hearing a voice in my head.
I'll block it out for you.
And, and...

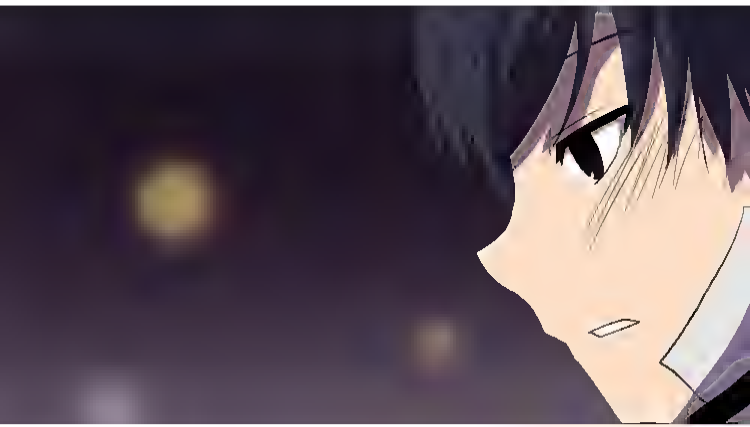


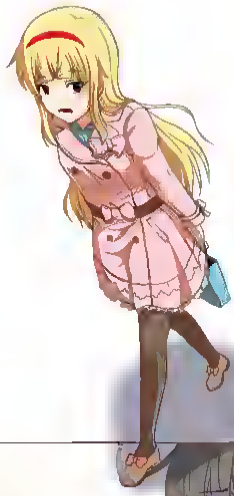
I told myself
I shouldn't... I told myself
not to do this, but...

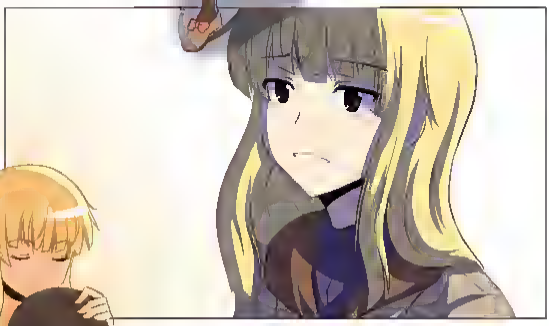
I like you,
Mr. Jin-Wook.

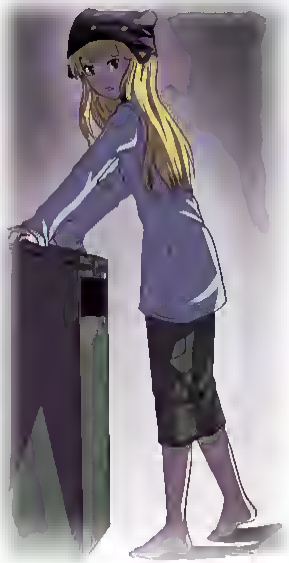


I thought that if I became the real Ms. So-Hee, then...you wouldn't have to be sad anymore
Those kinds of thoughts kept coming into.../



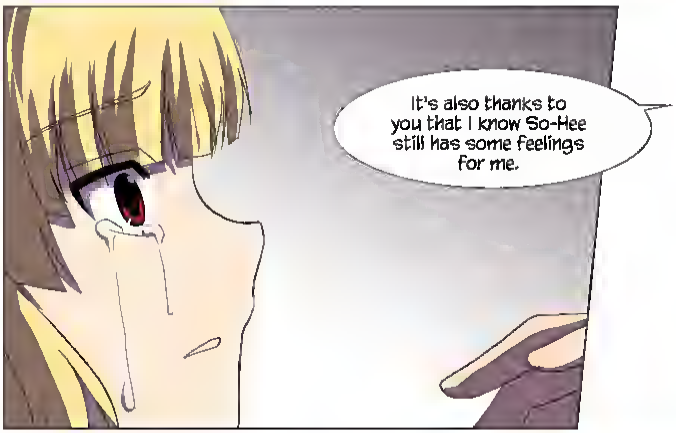






Thank you.
To be honest...
I'm happy.

Not falling apart and being able to tough it out after the break up...
was all thanks to you.



It's also thanks to you that I know So-Hee still has some feelings for me.

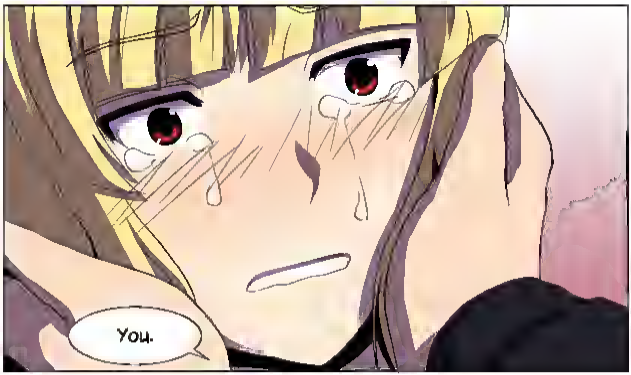
Then I realized, you didn't have many days left until you disappear.

That made me...

Sad.
Very, very sad

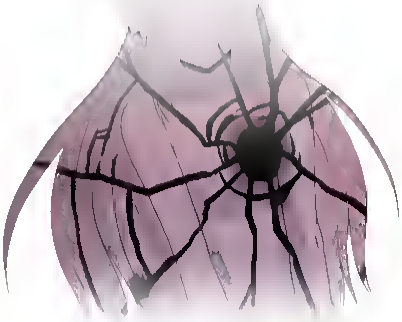
That's why...

With the time you have left,

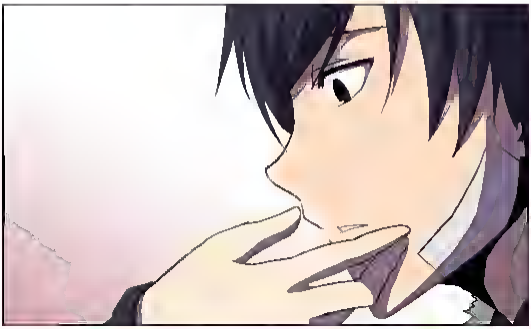


You.

The voice in my head began to go away.



Yes, it may not be for very long, but...



I can become a true human being.

A person who is loved...

거울 아이전

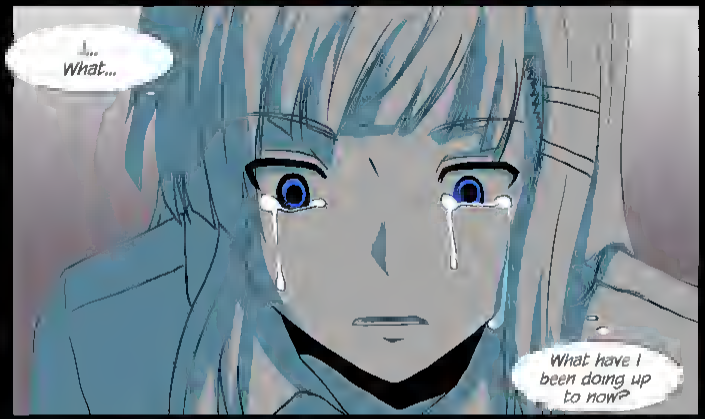
This is...a memory from Ms. So-Hee's past?
It's hard on me too.
I'm not breaking up with you. It's just until I get my energy back.
Just be patient for a little bit.

This is the memory of her sadness after hearing those words from Mr. Jin-Wook.

Why is this memory coming up now...?

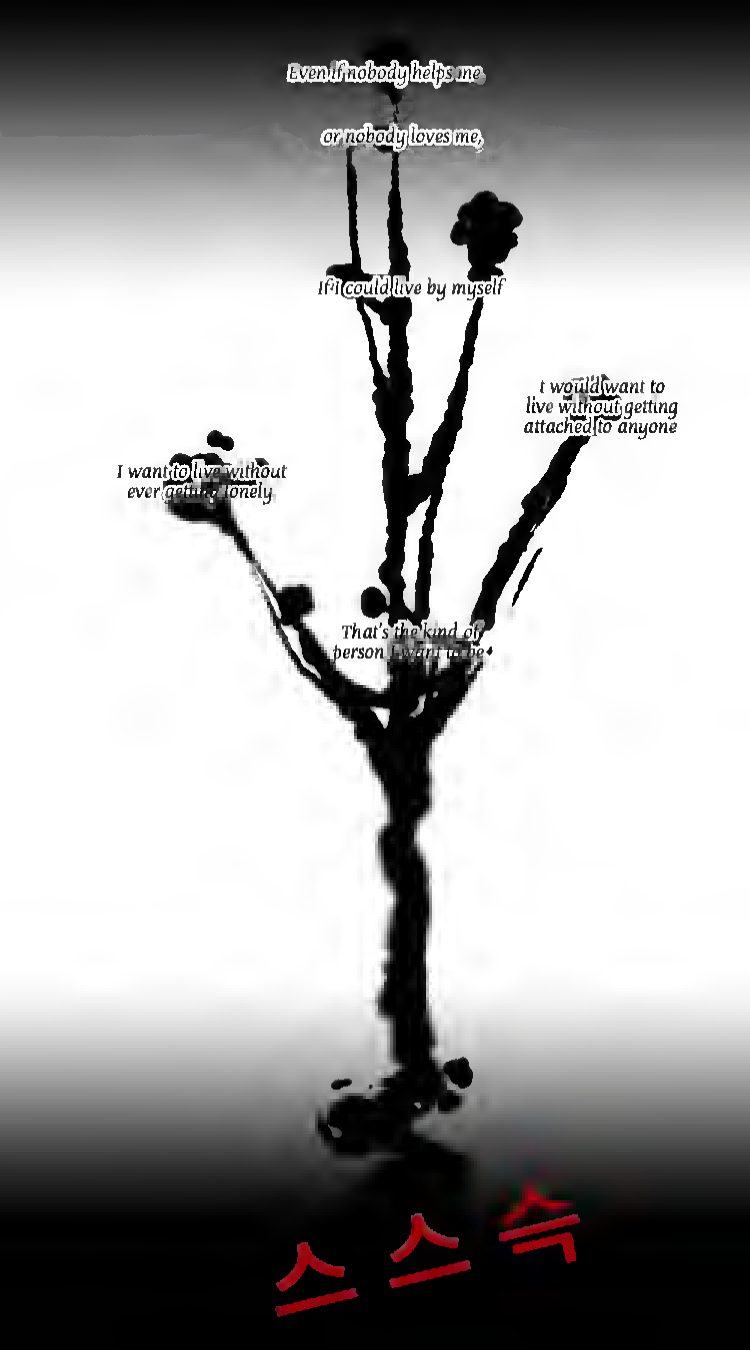
It's all my fault.
I've caused trouble for oppa.



I...
What...
What have I been doing up to now?

I just,
wanted to be loved...

It's all my fault...
If I wasn't so clingy...
If I wasn't so attached...



Even if nobody helps me
or nobody loves me,
If I could live by myself
I would want to
live without getting
attached to anyone
I want to live without
ever getting lonely
That's the kind of
person I want to be

BESIDES ME...THERE'S ANOTHER FAKE?!

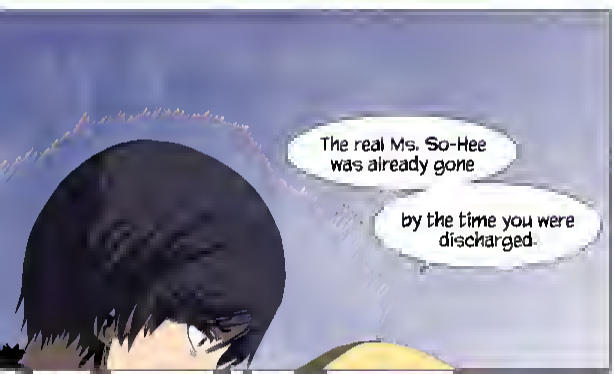
Ah...
응 ?

JUST WHAT IN THE WORLD IS GOING ON?!
JUNG SO-HEE!
So-Hee. Why...why are you doing this?
Did you also get consumed by your instincts?
Is that it?

Is it because of her? Because she looks exactly like you?
I, I can explain that.
SO CALM DOWN AND LISTEN TO ME, SO-HEE.
.....
You're...mistaken, Mr. Jin-Wook.

She's not the real Ms. So-Hee.
What? What does that mean?

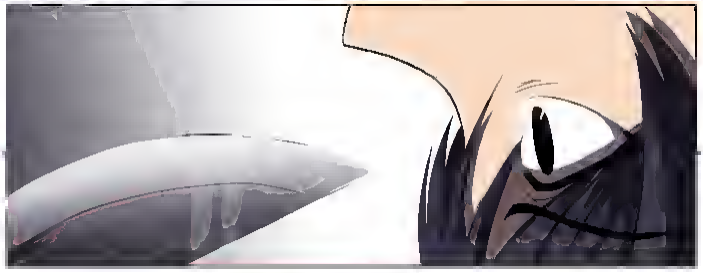
THE PERSON STANDING RIGHT THERE IS SO-HEE!



The real Ms. So-Hee was already gone
by the time you were discharged.

She was born before me...

She is a fake.



ㅎㅓ

Is that...true?

So-Hee...you killed her?
You're...not the real So-Hee?

.....

I ASKED YOU IF THAT'S TRUE!
ANSWER ME!
Yes.
I killed her.

The "me" who was weak

isn't here anymore.

I am So-Hee now.

WHY?!
WHY DID YOU DO THAT?!

That's what So-Hee wanted
She wanted the weak her to die and for me to live in her place.

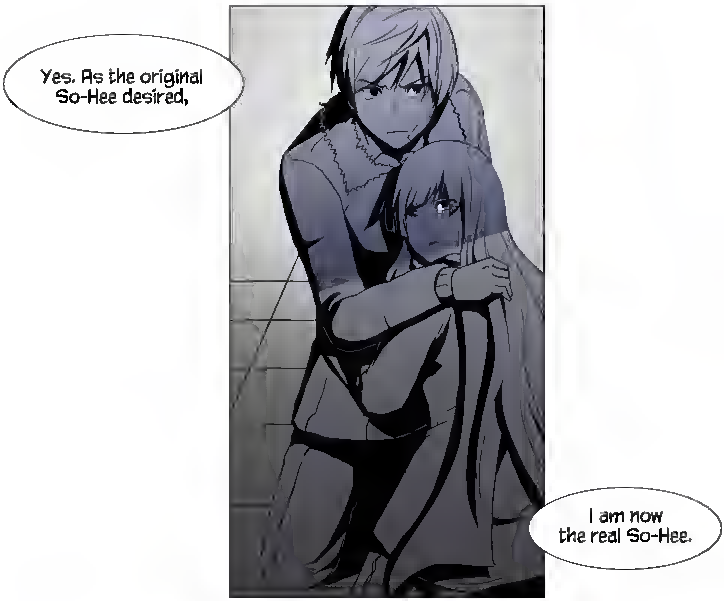
What did...

What exactly did So-Hee want? Did she hate me? Did she want to get back at me?

Wanted to become stronger.

Someone who can stand on her own two feet.

That's the kind of person she wanted to be.



Yes. As the original So-Hee desired,
I am now the real So-Hee.

But you're real, too. Why?
I tried so hard to gain my solitude...

It was easy to sever all of my relationships.

By simply not keeping in touch others drifted away from me

I was afraid...

But I summoned up my courage.

Thus, I barely...

Managed to break up with you, but..

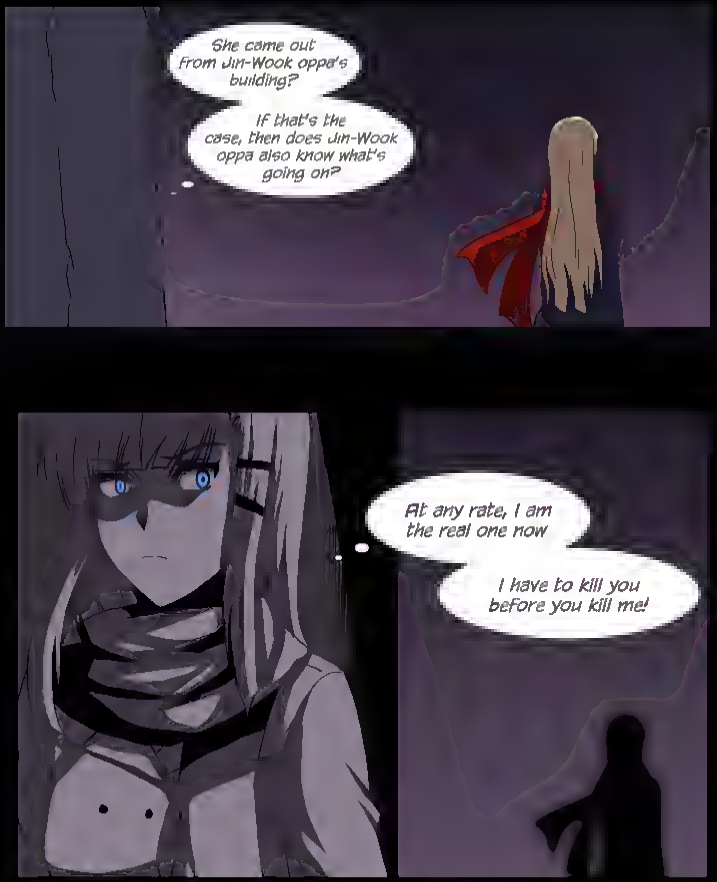
I wonder-
Why I went there that time.
Why was I so obsessed with the Jin-Wook oppa, whose relationship with me only stems from my memories?

Why...

I became a complete human after I killed So-Hee

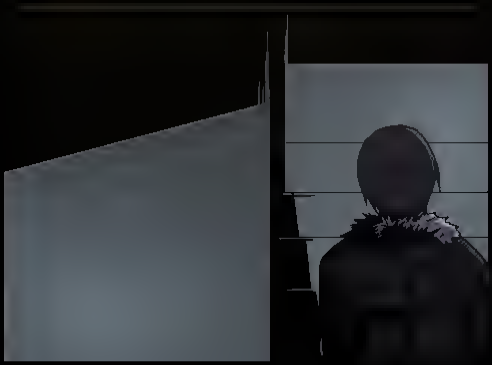
After that, even I can have a fake?

I'm not going to stand for this!
I have to kill her first
I just passed by the direction of Jin-Wook oppa's apartment...



She came out from Jin-Wook oppa's building?
If that's the case, then does Jin-Wook oppa also know what's going on?
At any rate, I am the real one now
I have to kill you before you kill me!

...So that I stay alive.



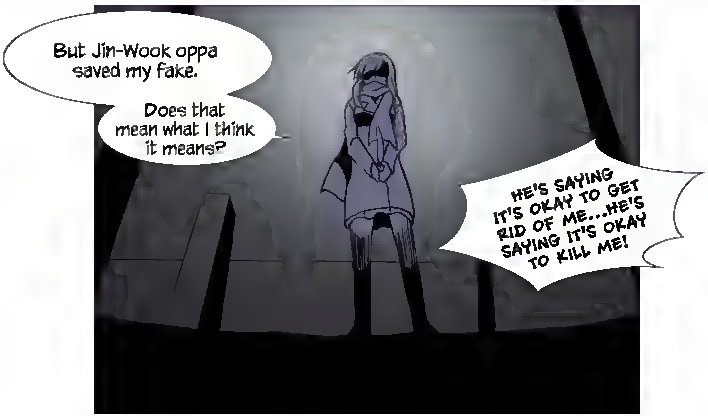
Why did she come to a place like this?

Goodbye, Opp
Sui...cide?

I have no idea what's going on, but...
My fake is going to commit suicide?
YEAH...YES! IF THAT'S THE CASE,
I WON'T EVER HAVE TO GO THROUGH THAT AGAIN!

The feeling of...
killing myself. Or someone else

Jin-Wook oppa?



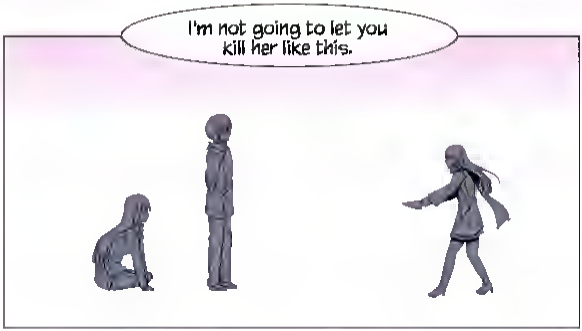
But Jin-Wook oppa saved my fake.
Does that mean what I think it means?
HE'S SAYING IT'S OKAY TO GET RID OF ME...HE'S SAYING IT'S OKAY TO KILL ME!

Even if I kill both of you...

When did I say anything about letting you kill her?
Mr. Jin-Wook?

Sorry. I can't let you kill your fake.
I'm not letting you.

We've already agreed to spend what time she has left together, so...



I'm not going to let you kill her like this.

Yeah,
I thought you'd
say that.

Why...?

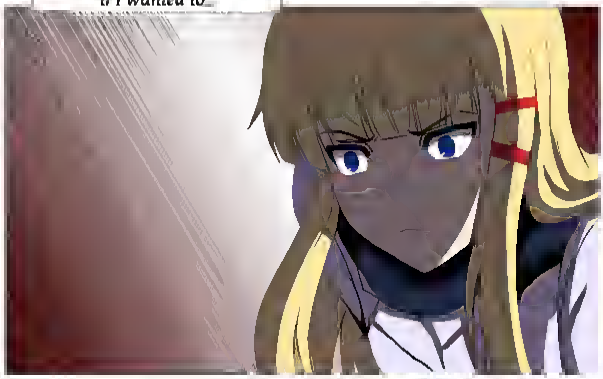
Why didn't you dodge?
덜 덜

Jin-Wook oppa!

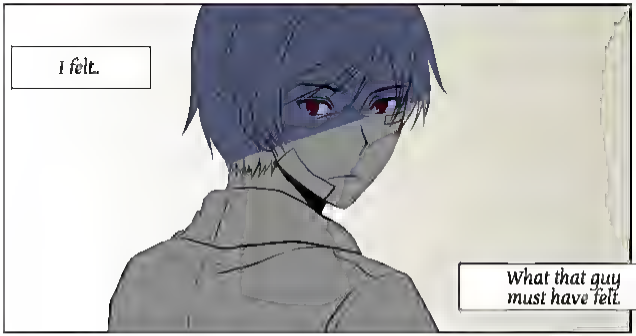
Who knows...

Why didn't I dodge.

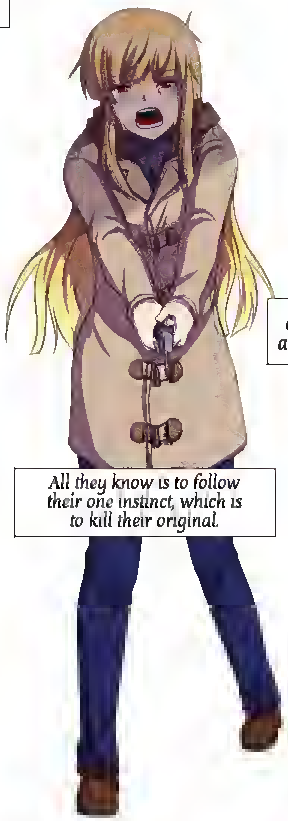
I certainly could have if I wanted to.



The sight of So-Hee running at me.



They were born from

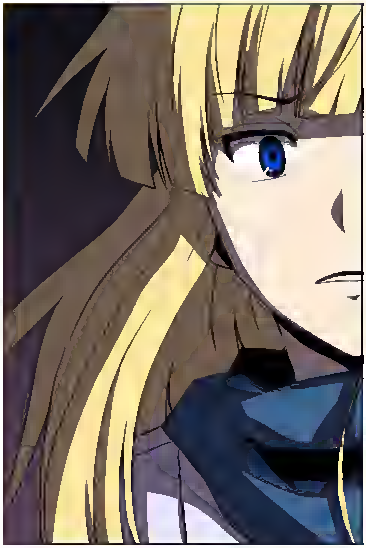


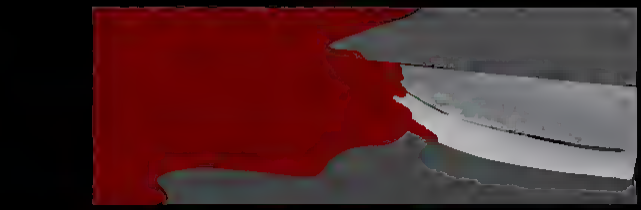
our desire to run away from reality.

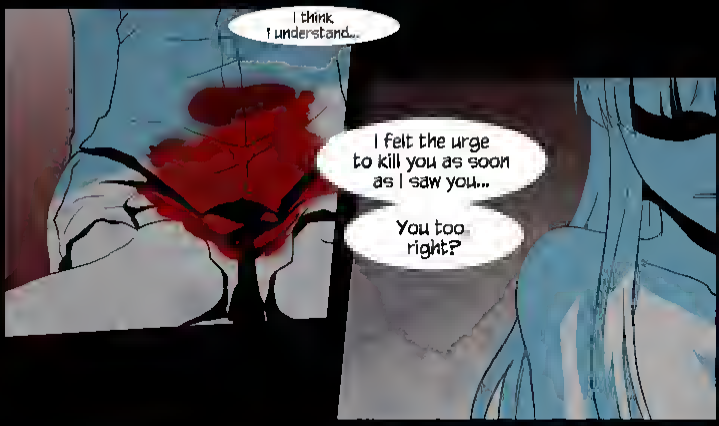
All they know is to follow their one instinct, which is to kill their original.

They're pitiful.

I'm sorry.







I think I understand...
I felt the urge to kill you as soon as I saw you...
You too, right?

But thank goodness... thank goodness that I didn't kill you.

I'm so sorry.

Because I'm so weak... because I didn't have the strength to bear it...
I'm sorry.
But...
You...
Please live

No.

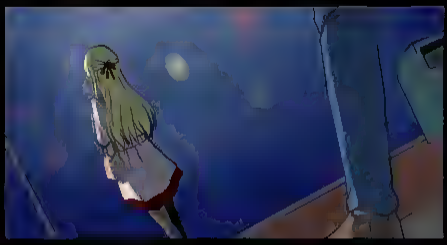
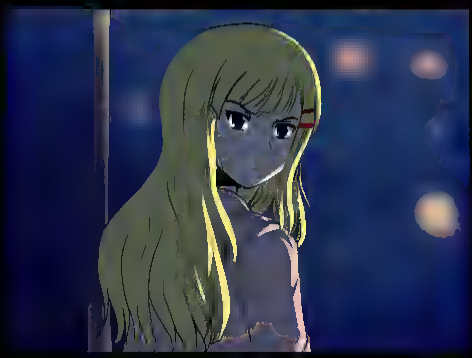
WHY?! WHY ARE YOU TRYING TO SAVE ME?!

I'M NOT THE SO-HEE YOU LOVE!
I'M A MONSTER!
I KNOW!
I KNOW YOU'RE NOT THE REAL SO-HEE!
I CAN'T EVER FORGIVE YOU FOR KILLING HER!
THEN WHY?!
BECAUSE I AM SICK AND TIRED OF WATCHING PEOPLE DIE IN FRONT OF ME!

YOU GUYS... ARE BORN BY TAKING SOME-ONE'S APPEAR-ANCE.
I ALSO KNOW THAT IT'S FUNDAMENTAL FOR YOU TO SEEK OUT AND KILL YOUR ORIGINAL!
BUT...
YOU GUYS ARE HUMAN TOO! YOU AREN'T MONSTERS!
SO HURRY AND GET UP HERE!

WHAT DO YOU THINK YOU KNOW, OPPA?! I'M...!
YOUR FAKE!
YOUR FAKE WANTED TO BE LOVED!
SHE WANTED TO LIVE LIKE A HUMAN BEING!





I want to be loved.

I want to forget...

That I killed someone.
And...

Be someone that can be loved.

It's what you wanted.
It's what you wished for.

You're going to regret this.
If you save me, that girl over there's probably going to die

I'm okay with that.

I've already received the most precious thing I could ask for.

Please... save her.

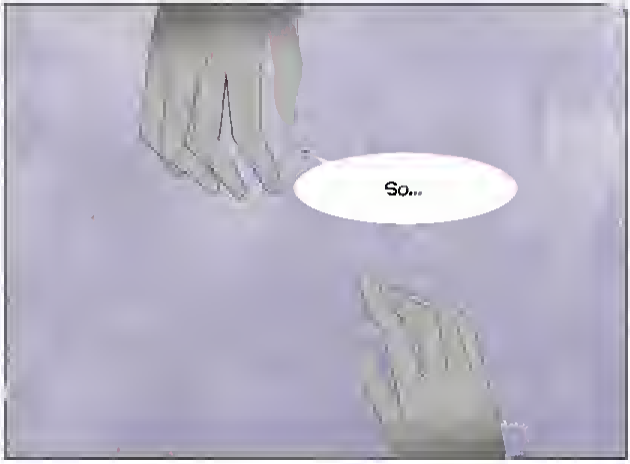
I also-
Will regret nothing.



So...

You really are stupid.

You know,

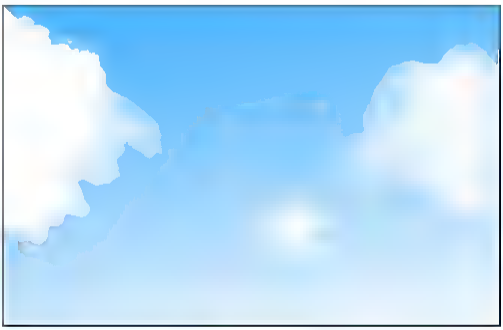
...Huh?
You know a rough guy who's a free spirit that no one wants to mess with?

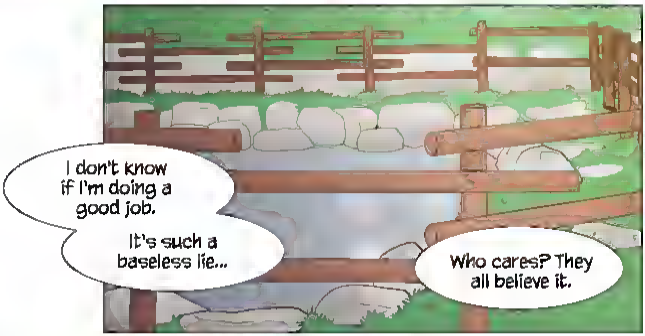
What do you think? Sounds like me, right?
You're just crazy, buddy. Crazy.
What? Did getting caught up in a gangster fight and getting stabbed mess with your head? You want me to stab you around? You think you some great, rough, kind of guy?
Yeah...I was just talking about someone I know.

But you lost the scholarship for this semester...you sure you're okay?
I'm fine, man. It just means that I have to work hard over break.

Sung-Chan oppa! Jin-Wook oppa!
Oh, she's here.

Hey So-Hee.
Hello.
So-Hee, are you okay? I heard that you got caught up in a gangster brawl? Is your back okay? Has he been taking good care of you?
Yes, Sung-Chan oppa.



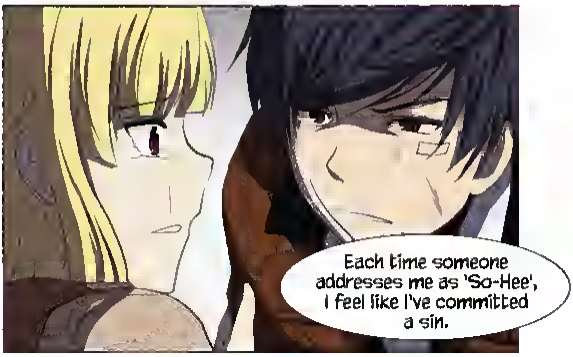


I don't know if I'm doing a good job.
It's such a baseless lie...
Who cares? They all believe it.

.....
I'm not sure if I have the right to be called 'So-Hee'.

I'm alive because-

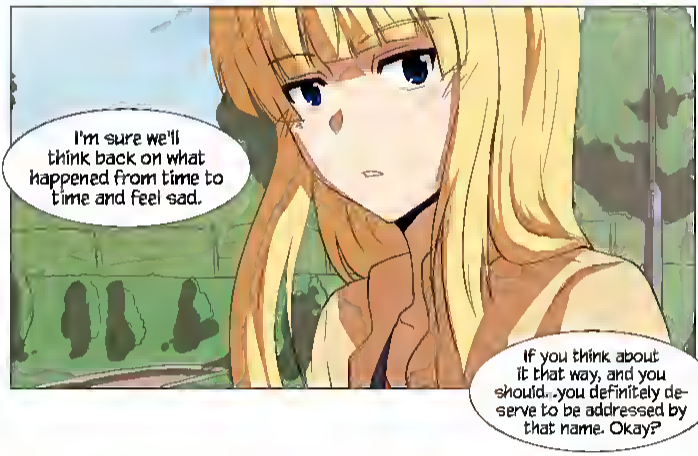
I stole the lives of two people.
I wasn't any more valuable than they were..



Each time someone addresses me as 'So-Hee', I feel like I've committed a sin.

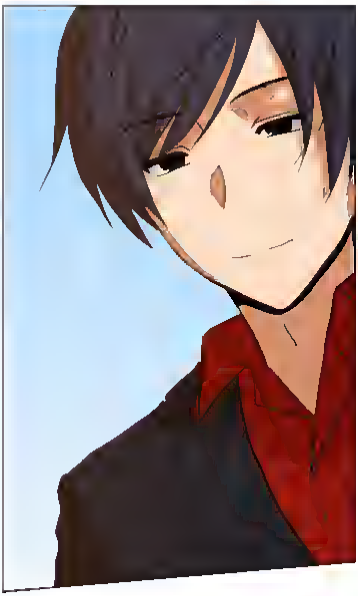
There's nothing for you to feel sorry about. If anything, I'm the one who has something to apologize for.
But, I kind of want to think selfishly.

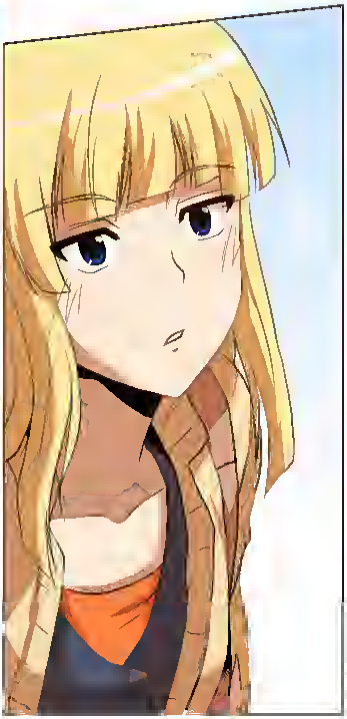
I want to think that they were so confident in us that they entrusted their lives to us.
If I think like that, then I can march forward with no regrets.



I'm sure we'll think back on what happened from time to time and feel sad.
If you think about it that way, and you should...you definitely deserve to be addressed by that name. Okay?

꼬 옥





So-Hee.
